Chellamal Matriculation Higher Secondary School in 2020

HSC | Percentage: 51.5%

St.james Matriculation Higher Secondary School in 2018

SSLC | Percentage: 67%

Projects

E-Commerce Website (Skills: ReactJs)

- Developed an e-commerce website using HTML, CSS, and JavaScript.
- Ensured a user-friendly interface, optimizing the online shopping process.
- Resolved front-end challenges and ensured a consistent, aesthetically pleasing design across different devices and screen sizes.
- Created responsive and visually appealing user interfaces for seamless shopping experiences.

Weather App: Real-Time Weather Checking (Skills: HTML, CSS, JAVASCRIPT)

- Developed an intuitive weather app with HTML, CSS, and JavaScript, providing users with a seamless experience to effortlessly check real-time weather conditions. Integrated the OpenWeatherMap API for accurate weather data retrieval based on user-entered city names.
- Developed an application that dynamically retrieves real-time weather updates and forecasts, presenting the information in an intuitive and user-friendly format for seamless interpretation.

ToDoList App (Skills: React.js)

- Created a user-friendly To-Do List application using HTML, CSS, and JavaScript to provide a seamless and intuitive user interface.
- Crafted an intuitive user interface with add, delete, and edit buttons for easy task management.
- Implemented React.js to enhance the app's functionality, facilitating dynamic updates and efficient state management for a more responsive user experience.

Technical Skills

- Web Technologies : HTML5, CSS3 , JavaScript , BootStrap
- Libraries/Tools : React JS, Netlify, vercel app, Git/GitHub
- Backend development : Java
- Database Management : SQL Server

Roles and Responsibilities

- Develop responsive web applications using HTML, CSS, and JavaScript. Implement user interfaces and interactions using React.js.
- Developed Java applications, ensuring robust functionality and optimal performance through effective coding practices and systematic problem-solving.
- Integrate and work with database like MySQL.
- Utilize Git and platforms like GitHub for version control and collaboration.
- Troubleshoot and debug technical issues, perform testing, and optimize performance.
- Collaborate with team members, including designers and project managers, for successful project execution.

Highlights

- Pursing Java Full-stack Web Development training from Besant Technologies in Electronic City Phase-1, Bengaluru.
- Participated in an internship program at SD Pro Solution, focusing on web development using python
- Participated in an ICT workshop organized by Bharathidasan University
